## Product Information

- Made from solid wood.
- Fabric composition is 50% Polyester, 34% Acrylic, 16% Cotton
- Every effort is made to ensure colour continuity between pieces, however this is a natural product, colour and grain variations and natural markings may occur. Natural features ensure that each piece is individual to you.
- Made in Italy

## Care Guidance and Cleaning

- These chairs are not designed for outdoor use.
- Take care when moving the chairs and never drag across the floor, as this will cause damage to leg joints.
- Avoid exposing the furniture to excessive heat sources or direct sunlight as this can cause cracking and deterioration of the colour.
- Clean regularly using a vacuum cleaner or clean brush to ensure loose dirt does not become embedded.
- Care should be taken to avoid spilling anything on the chairs. If spillage occurs act promptly and soak up any liquids by blotting with a clean absorbent cloth and allow to dry naturally. Never rub stains. Never use a wet cloth.
- Clean legs with a soft clean damp cloth.
- Do not use silicone based furniture polish
- Clean periodically in situ using a professional upholstery cleaning company. The cleaning company will use agents appropriate to the fabric. All chairs should be cleaned at the same time.
- If the upholstery becomes stained please have it cleaned by a professional cleaning company.
